

INTERNATIONAL CONFERENCE ON BIOPROTECTION FOR SUSTAINABLE AGRICULTURE 2025 (ICBPSA2025)

“Application of Bioprotection in Climate-Resilient Agriculture”

28-30th August, 2025, Hue City, Vietnam

The University of Agriculture and Forestry, Hue University (HUAF, HU) invites academic researchers, scientists, experts, students, policy makers, industrial and government sectors involved in bioprotection in agriculture to submit their original research or case studies for the ICBPSA25 (International Conference on BioProtection for Sustainable Agriculture 2025), which will be held on 28 - 30th August, 2025 in Hue city, Vietnam.

ICBPSA25 will be hosted by HUAF, HU in collaboration with French Agricultural Research Centre for International Development (CIRAD), The College of Agriculture, Can Tho University (CoA, CTU), Nong Lam University, Ho Chi Minh City (NLU), Faculty of Forestry Agriculture, Tay Nguyen University (FFA, TNU), Vietnam National University of Agriculture (VNUA) and Plant Protection Research Institute (PPRI) with the theme “Application of Bioprotection in Climate-Resilient Agriculture”.

The *Agricultural Science and Technology Journal* (ISSN 2588-1256) is pleased to announce a Special Issue on "**Application of Bioprotection in Climate-Resilient Agriculture.**" This issue will feature cutting-edge research on innovative bioprotection strategies aimed at minimizing crop pest impacts while enhancing climate adaptation and agricultural sustainability.

We welcome original research articles and reviews in both **English and Vietnamese**, published in our **open-access E-Journal**.

Submission Details

- **Full Paper Submission Deadline: 30 June 2025**
- **Rolling Publication:** Papers will be published continuously upon acceptance following peer review.
- **Abstract Submission Deadline: 31 May 2025** (Abstracts will be published in English in the conference proceedings.)
- **Publication Fee: 1,500,000 VND per paper** (for both English and Vietnamese versions).

Authors are encouraged to submit their abstracts in advance to the **Editorial Office** at <https://tapchidhnhue.vn/>. Manuscripts should be original and not under consideration elsewhere.

We look forward to your contributions!
